

INVESTING FOR CHANGE

Many passionate philanthropists turn to us to find the best way to make long-lasting positive change in greater Rochester. Others specify causes they want to support, relying on us for strategy and implementation.

Your unrestricted and broad-purpose gifts allow us to nurture high-impact initiatives, convene diverse voices, and support cutting-

edge programs. We address arts and culture, civic engagement, early childhood, education, health and environment, historical preservation, successful aging, youth and families, women and girls, and more, right here in our six-county region. Philanthropists who want to tap our expertise should contact Senior Philanthropic Advisor Bonita Wallace at bmwallace@racf.org or (585) 341-4360.
