

Our Board of Directors

Our board of directors, standing committees, and other volunteer committees are vital to the continued good governance and steady growth of the Community Foundation. Here are board members for the 2019-20 fiscal year, which began April 1, 2019:

Former board members are invited to join our Advisory Council, which meets once a year to receive updates on new initiatives undertaken by the Community Foundation and to provide feedback to Foundation leadership.

We are grateful for the ongoing support of these individuals who have played a role in the growth of this organization that benefits communities in an eight-county region.
