The giving circle is comprised of a cross section of the

community who find value in grantmaking to local charitable causes and addressing community needs. It is the intention of NextGen Rochester to not only build assets, but compassion, knowledge, and community engagement.

Each NextGen Rochester member contributes to a fund that makes grants to nonprofits selected by the members. By pooling their contributions, emerging leaders are given a seat of influence in greater Rochester and are able to create an impact far greater than each could individually.

You can learn more about NextGen Rochester on its website and by joining its group on Facebook, following its activities on Twitter, or checking out a list of current members.

## Annual Dues

Annual Dues are offered at the following tiered levels:

- **Member:** \$100 – \$249.99
- **Investor:** \$250 – \$499.99
- **Champion:** \$500 – \$999.99
- **Activist:** \$1,000 +

Membership in NextGen for the current calendar year is accepted on a rolling basis through August 31. Members who join will immediately receive all member benefits and be eligible to participate in grantmaking each Fall. Dues can be paid on a quarterly basis, but members must initiate each payment.

NextGen Rochester grants support organizations and activities that advance important work in the community. The funding priorities change from year to year and are selected by members. However, projects that receive support from this Giving Circle must accomplish some, if not all, of the following:

- Keep the grant money in the community and support the local economy;
- Involve a diverse group of participants, including but not limited to people of different races, ages, geographical residences in the organization's programs or projects; and;
- Encourage communication and cooperation among organizations, associations, agencies, and institutions in the community.
