**Welcome to Rochester Area Community Foundation's Online Scholarship Application Portal**

Our scholarships were created by local individuals, families, and organizations to support local students and mostly in the eight county region - including Genesee, Livingston, Monroe, Ontario, Orleans, Seneca, Wayne, and Yates counties.

Each scholarship has a unique set of eligibility criteria established by the people or organizations that created them.

Click the "View All Scholarships" button to see all of the scholarship opportunities found on this site.

Not all scholarships are managed on this site, find more opportunities and other financial resources at [www.racf.org/ScholarshipInfo](http://www.racf.org/ScholarshipInfo).

**New Applicants/First Time Users**

Click the "Create New Account" button below in order to begin a new application. Be sure to use a personal email such as Gmail, Yahoo, etc. and not your school email, as most automated and external communications will be blocked by your school's email server.

Add desired scholarships to your cart to access later or click "apply" to begin that application.
