

# GIVING TOGETHER FOR IMPACT

At Rochester Area Community Foundation, you can provide ongoing support to the community now and in the future by creating flexible or broad-purpose funds that allow us to nurture high-impact initiatives, convene diverse community partners, and support cutting-edge programs that are important to the vitality of the region. You can also create “your fund, your way” for personalized giving that helps your favorite charity or cause. To support the efforts of existing funds, you may make a donation at [racf.org/Donate](http://racf.org/Donate).

New funds established from April 1, 2018 through March 31, 2020 — as well as those that converted to Forever Funds — are highlighted with a blue bar and have complete descriptions. Fund balances are current as of March 31, 2020. At the request of some donors, fund names or balances have been omitted.
