An involved student and dedicated friend.

She was a loving wife, a devoted mother, and a dedicated community servant.

Sharon touched many lives through her years of volunteering and inspired many children by encouraging them to achieve more.

It is for all of these reasons and more that her family has created the Sharon Marie All Memorial Scholarship to forever honor her memory.

Dedication to others was the embodiment of Sharon's giving nature.

Since 1972, Rochester Area Community Foundation has engaged passionate philanthropists in improving our region, awarding more than $293 million in grants across our eight-county service area to meet both current and future needs.

More than 1,000 funds and endowments are administered by the Community Foundation. These funds, created by individuals, families, organizations and businesses, benefit the greater Rochester region in a wide variety of impact areas that include the arts, education, social services, civic engagement, and a host of other purposes.

Working with the Community Foundation, local philanthropists can become catalysts for community change and experience the joy of giving.

Selfless

&

Giving

Sharon Marie All was born in Niagara Falls and later grew up in Scottsville and then Marion, New York. Sharon graduated from Marion High School where she was an honor student, participated in many activities, and was chosen for Prom Queen.

Sharon began her college career at SUNY Fredonia and after one year, transferred to SUNY Brockport where she graduated with a Bachelor of Arts in Sociology.

Coming from a large family, Sharon did not receive a lot of financial support from her parents for college. She worked weekends, summers and holidays at Mobil Chemical's Design Products Plant in Macedon, New York to help pay her college expenses.

After graduating from college, Sharon backpacked through several European countries with a friend from High School. This was a wonderful experience for Sharon. When she returned to the U.S., she started working for Newark Developmental Center. Soon thereafter she secured a job at Mobil Chemical Company in Macedon as a Management Trainee.

Sharon was the first female shift supervisor in the manufacturing facility. She continued to prosper, working her way through several positions as her career flourished. Ultimately, she became a Marketing Product Manager for the Private Label Bag Business in the Consumer Products Division.

During her employment at Mobil Chemical Company, she met and married her husband Frank, immediately becoming a stepmother to his two children Darrin and Karen. Together, Sharon and Frank also had two children — Sarah and Katie . When Sarah and Katie were ready for school, Sharon left her promising career at

Mobil Chemical Company to stay home and raise the two girls.

It was at this time that Sharon began volunteering in her community. She volunteered at Lincoln School and then Newark Middle School where she worked with students in the classroom. She also joined the Shared Decision Making Committee at the Middle School.

Additionally, Sharon was an Elder and a Deacon at Park Presbyterian Church where she also served twice as Director of Christian Education. She was a foster mom and had also worked for Wayne Intensive Respite caring for at risk and needy children.

Sharon continued her volunteerism preparing taxes for senior citizens at Wayne County Action Program and continued to do so while battling Small Cell Lung Cancer in the last year of her life.
