

A tireless spirit, a gentle caregiver to all.

Kathy was a devoted, compassionate person.

Throughout her life she was always doing something for somebody else, helping in any way she could. In 1980 Kathy was diagnosed with breast cancer and only given three years to live. Fifteen years later her cancer reappeared and four years after that, she lost her battle to it.

Kathy was genuine and passionate.

Since 1972, Rochester Area Community Foundation has engaged passionate philanthropists in improving our region, awarding more than \$293 million in grants across our eight-county service area to meet both current and future needs.

More than 1,000 funds and endowments are administered by the Community Foundation.

These funds, created by individuals, families, organizations and businesses, benefit the greater Rochester region in a wide variety of impact areas that include the arts, education, social services, civic engagement, and a host of other purposes.

Working with the Community Foundation, local philanthropists can become catalysts for community change and experience the joy of giving.

Courageous

&

Devoted

**Please accept this grant in memory
of Kathleen McElligott Hall.**

On July 28, 1999, Kathleen McElligott Hall passed away at the age of 50, after a long and courageous battle against cancer.

Kathy was on the Mercy High School basketball team for all four years of high school. She was the high candy seller each year, Mission queen for three years, and on the May Court in her senior year.

Kathy graduated in 1966 from Mercy High School and went on to receive a bachelor's degree in nursing. In 1969, she married Robert Hall, and had two children, a son and a daughter.

During Kathy's career as a nurse, she was a member of the Legal Nurses Association.

She was active on the Educational Committee, providing interesting topics and speakers at meetings. She was employed by the New York State Health Department and also provided medical consultation to many attorneys in the area.

In addition to being an excellent nurse, Kathy was a devoted wife and mother, and a true friend to all who knew her.

As a tribute to Kathy, her friends and family have established a fund in her name, to provide one award annually to a student currently enrolled in a nursing program.
