

**A fine scholar and delightful friend to all.**

**Natalie enjoyed tennis and sailing, loved animals, and supported all school and sports activities in which her sons were involved.**

**The senior class of 1979 dedicated the yearbook to Natalie “because of her patience, understanding, and willingness to go out of her way to help.”**

Natalie's gift of humor made people instantly comfortable.

Since 1972, Rochester Area Community Foundation has engaged passionate philanthropists in improving our region, awarding more than \$293 million in grants across our eight-county service area to meet both current and future needs.

More than 1,000 funds and endowments are administered by the Community Foundation.

These funds, created by individuals, families, organizations and businesses, benefit the greater Rochester region in a wide variety of impact areas that include the arts, education, social services, civic engagement, and a host of other purposes.

Working with the Community Foundation, local philanthropists can become catalysts for community change and experience the joy of giving.

## **Please accept this grant in memory of Natalie K. Meyer**

Natalie was born on May 18, 1930 in Cleveland, Ohio. She attended Allegheny College, married Malcolm Meyer in 1956, and had two sons: James, born in 1959 and Timothy Charles (T.C.) born in 1960. The family lived in New Jersey and New York City before moving to Pittsford in 1962.

Natalie worked for David Edwards and at Thornell Road School before coming to the attendance office at Mendon High School in the fall of 1977.

After the doctors diagnosed leukemia, she was an example to everyone of an indomitable spirit, never losing her cheerful disposition nor her sense of humor as she convalesced and fought to regain her strength.

Natalie returned to her job in the attendance office in September, 1980 but had to re-enter the hospital, where she succumbed on November 11.

This annual memorial award is presented to a senior boy or girl who exemplifies good citizenship, a sense of responsibility and a caring attitude about others. The student must also be active in school activities and school life – to include sports as either a participant or spectator.
