There are two options for membership financial contribution:

Sustainer is an Annual contribution of \$1050\* or more. Catalyst is an Annual contribution of \$450\* - \$1049\*.

The monies collected in each calendar year become the amount available for Grants the following spring. Our collective giving is dependent on annual membership financial contributions and any other monetary gifts the RWGC receives. \$50 of each contribution supports our operating expenses. The entire amount is tax-deductible.
